PARENTS' EVENING(S)

You'll receive information soon on how to book Parents' Evening appointments (dates above). These are 5-minute appointments to provide a snapshot of how your child has settled into the new academic year.

We'll have a table for your child(ren) to sit and do some colouring if you need to bring them along too!

Remember – please don't wait for a Parents' Evening to voice any concerns about your child's progress, and we'll never do the same either.

WHAT. A. SCHOOL.

When you walk around our school and see our children learning, it truly is a remarkable sight. Our children are so respectful, resilient and responsible, and it makes me so proud to be headteacher. And thank you to you, our parents, who continue to be supportive of school and convey the message to our children how important their education is.

In most schools, the Autumn term is always a busy one with lots going on – especially as we get closer and closer to Christmas. With a change of leadership here at school, it's even busier! That's why I always try and communicate changes to you without bombarding you with things you don't necessarily need to know. If ever you're unsure of something though, do get in touch and we'll always do our best to help. I'll *always* listen.

Short Version: Mr Spendlow loves our school community, appreciates your support and welcomes you to get in touch if you're ever unsure!

COME ON IN AND SEE US!

We're holding our first **PARENT SHARE** event! We'd love to invite you in to school to spend time with your child/children during an art session. On Thursday 21st November, come to the main entrance (School Office) between 2:30pm-3:15pm and we'll take you to your child's class. Note: no creativity required but do be prepared for potential messiness!!

Short Version: 2:30-3:15pm on Thursday 21st November – come join in with some art!

COMMUNITY KINDNESS!

J.H.A Winter & Sons have donated some netballs to the school because ours were in short supply. Thank you so, so much!

The Tetford Village Christmas Market is on Wednesday 20th November this year, and the organisers have donated hundreds of pounds to the school. This makes such a difference to us – thank you!

Short Version: THANK YOU to our amazing community!

AND THE FORECAST IS...RAIN!

As the weather turns colder and even rain-ier, please make sure your child has a suitable coat and that they come to school wearing it so they're not sitting in class in soggy uniform!

Short Version: Please make sure your child has a coat – even if it's not raining in the morning!

HARVEST!

We'll be having a special harvest assembly on Wednesday 16th October with a special guest, Paul Hugill MBE, coming to speak to the children about all of his incredible community work. We'll be taking in any donations of food/supplies on that morning that you wish to donate, but we'll write to you separately about that sometime next week. Please don't feel you have to donate – we know times are financially tough.

Short Version: More details on donations next week!
