14th Jul Reports start going out
22nd Jul Last day of Term 6

YOU'VE CHANGED!

If any of your details change - like your address, phone number, work contact or email - just drop us a quick email so we can keep everything up to date.

We're also changing our internal records system in June. This won't affect you but please bear with us as there may be some teething problems.

SCHOOL REPORTS

This year, we'll be sending out school reports digitally via email - because, well, it's 2025 and we're trying to do our bit for the trees!

That said, if you're someone who prefers a good old-fashioned paper copy and don't have access to a printer, just let us know and we'll happily print one for you.

Reports will begin going out from Monday 14th July, but it's a big job! So please don't worry if yours doesn't arrive that day - it's definitely on its way and will be with you by Wednesday at the latest.

Short Version: School reports are digital and they're out W/B 14th July!

UPDATES ON OUR SCHOOL

This summer term is always such a fast-paced one with loads going on - and with it being so short this year, it feels even more so! That said, our school community continues to be absolutely amazing, and there honestly isn't a single day when I'm not proud to be headteacher of such a brilliant school. It's not just our children and staff who are fantastic - it's you too, our parents - always so friendly, supportive and helpful.

As I always say (and will keep saying!), if there's ever a problem, concern or even just some positive feedback, please do get in touch. We can't do anything about something we don't know about, and we always appreciate hearing from you.

We're really looking forward to Sports Day on Tuesday 11th June (13:45-15:00). We'll send out a reminder nearer the time, but feel free to bring your own chairs or picnic blankets. We'll have a refreshment stand (thanks to our brilliant PSFA) and an ice cream van too! And, if you're feeling brave and fancy entering the Mums' or Dads' Race, don't forget your trainers!

Looking a little further ahead, our PSFA Summer Fair will be on Friday 11th July from 15:45-17:30, and more details will follow soon directly from the PSFA.

Short Version: Busy term, Sports Day upcoming, and thanks for being so awesome!

ERROR 404: FIRST DAY OF TERM!

We wanted to let you know about an error that was made before Mr Spendlow joined us in September - the wrong start date for next term was added to the website, and this has also made its way onto the PSFA calendar. The correct return date is **Monday 2nd June**.

Because of this, The Farm Kitchen is unable to take lunch orders for that Monday in the usual way. We'll be sending out an email this week with details on how to order a hot meal for that day. We're really sorry for the inconvenience, and if you have any issues getting it sorted, please don't hesitate to get in touch - we're happy to help however we can.

Just a reminder that our school calendar, which you can subscribe to via your smartphone (on our website), always has the most up-to-date information.

Short Version: First day of next term is Monday 2nd June! Email coming soon about ordering hot meals for that day!

COME IN AND SEE US AGAIN!

Our third and final Parent Share of the academic year will take place on Monday 7th July. As it's the last one, each class teacher will be choosing their own focus - so you might find yourself wrapped up in a Science experiment or getting creative with a DT project, perhaps even building a famous landmark... who knows?! Come at your own risk...!

Straight after that, we'll be holding our final Family Afternoon, where you're welcome to come back into school at home time and have a look through your child's work. If you're not able to make it, don't worry - all children's books will be coming home at the end of term anyway.

Short Version: Final Parent Share and Family Afternoon are both on Monday 7th July!
